QUALITY POLICY OF KAZAKH HUMANITARIAN-JURIDICAL INNOVATIVE UNIVERSITY

Our main goal: The comprehensive training of competitive specialists capable for working in conditions of accession of Kazakhstan to the world community.

In order to reach this goal we stride forward:

1. To study constantly and predict expectations and satisfaction of consumers ' requirements to the quality of educational services;
2. To expand types of education and improve their quality with the help of the feedback of the official and customers;
3. To enhance skills of the administrative teaching management, provision and measurement security;
4. To develop teaching quality through:
 - Organization of the higher and post-graduate education system;
 - Integration the study and research activity;
 - Advancement of academic-methodical, material and technical provision of the learning process;
 - Improvement of foreign language and information technology competence.
5. To develop the collaboration with the employers;
6. To perfect internal regulatory and legal framework of the higher and post-graduate professional education.

The administration of the university as a leader in performing this policy must support all the staff and provide them with necessary resources.

WE ARE – THE ADMINISTRATORS OF THE UNIVERSITY OBLIGED TO FOLLOW THE STATEMENTS, WRITTEN IN THIS POLICY. WE LOOK FORWARD THE EXECUTION OF THESE STATEMENTS BY THE UNIVERSITY STAFF.
